

Workshop Packets

Teacher: Omar A. Lopez

Full Intensive Workshop (Premium)

This 12-hour workshop (typically structured over 2/3 days) includes multiple full choreographies that are 100% unique to your group, along with focused training in technique, musicality, and performance quality. This format is ideal for competition teams and programs looking for high-level, performance-ready material. Pricing is \$1,000 for up to 16 students, with an additional \$70 per student beyond that.

Technique & Repertoire Workshop

This 6–8 hour workshop focuses on strengthening foundational technique, combinations, and styling while introducing one full or partial choreography. It is a great option for groups looking to improve overall performance quality within a more flexible structure. Pricing typically ranges from \$800 for up to 16 students, with an additional \$60 per student depending on the structure and group size.

Step-Based / Combo Workshop

This 3–4 hour workshop is designed to build strong fundamentals through zapateado combinations, drills, and styling exercises. The focus is on improving coordination, timing, and technique without the need for full choreography. Pricing ranges from \$500 as a flat rate, or \$40 per student depending on the size of the group.

Choreography Setting (Non-Unique)

This 6–10 hour workshop involves teaching a pre-set choreography that is not exclusive, while still focusing on technique, cleaning, and performance quality. It is a great option for groups looking to expand their repertoire in a more cost-effective way. Pricing typically ranges from \$800, with an equivalent per-student rate of approximately \$60 depending on the group size and schedule.

Travel Policy

To ensure a smooth and professional experience, all travel and lodging arrangements must be covered by the host. This includes round-trip airfare and a 2–3 night stay in a hotel or Airbnb located near the workshop site. Flights are booked by Omar A. Lopez departing from McAllen (MFE), Harlingen (HRL), or the nearest available airport and are reimbursed by the host. Lodging should be safe, reliable, and within close proximity to the workshop location to allow for efficient scheduling. If ground transportation is not provided, Uber, Lyft, or rental transportation costs must also be reimbursed. All travel expenses are documented through itemized invoices and receipts, and hosts are only responsible for the actual cost of travel.
